*Orlando, FL
August 6, 2010.
Reg. No. II-13/2010*

Dear brothers and sisters,

It is our honor to invite you to a **special meeting** of parish to be held on **Sunday, September 12th, 2010**. The meeting is to be held **in our church hall with a starting time at 12-noon, following the Holy Liturgy**. The only matter to be discussed that day is the **beginning of the building of our new temple**.

Seeing as this is not our regular yearly assembly, in accordance with act 33 of the bylaws of Serbian Orthodox Church in North and South America, which states that such a meeting must be held only if there are "some important questions which the Executive Board is not authorized to decide and it is evident that its decision cannot be postponed until the regular Annual Assembly" the decisions to be reached at this meeting will obligate each and every parishioner, regardless of his participation in this assembly. **This is why we implore all parishioners to participate in this historic assembly**, which is when we will determine the date of the beginning of the building of our new temple.

Agenda:

1. Informing parishioners with documentation and licenses already acquired, as well as capital already spent towards obtaining of those.
2. A report on the current financial state of our parish, as well as a financing plan for the future.
3. Determination of dates of the start of the building.

Mr. Vladan Gluvacevic, the architect of our project, will be present at this assembly, as well as the main contractor, Mr. Branko Balic. They will be able to answer all questions relating to the technical and dynamic aspect of the build.

The rights to participate at this assembly have all parishioners who wish to be a part of this project.

With a thank and a prayer towards our God and Savior Jesus Christ and our protector St. Petka, we believe that this assembly on September 12 will remain written in gold in the history of our parish.

May the Lord gift you and your families life, health, and salvation, and may we all be together in love and unity so we can await the blessing of this temple.

With God's blessing,

*Fr. Ljubisa Brnjos
with all the members of Executive Board*
